**Information of Result Process of CEN No.01/2014  
ALP & Technician**

I, S. Dhasaratha Rami Reddy (age 33 years), in the capacity of Member Secretary and PIO as per RTI Act 2005, do hereby submit the following information for the awareness of all prospective candidates waiting for the results of CEN No.01/2014. This special information is being uploaded in our website i.e., <http://rrbsecunderabad.nic.in> in view of the huge number of RTI applications being received regarding the delay in results of ALP and Technicians of CEN No.01/2014.

1. Though written examination is held in June/July, 2014 and Aptitude Test also concluded on 01.04.2015, result of eligible candidates to attend Document Verification for the posts of ALP and Technicians is getting unexpected delay in view of the following reasons & procedures:
  - a. More than 6 lakhs of applications (both online and offline mode) are received against notified vacancies of 2839 only in response to CEN No.01/2014, RRB/SC.
  - b. Though many of the candidates have appeared in the written exam and/or aptitude test, it is observed that many of the candidates have opted for various technician categories without having prescribed qualification/trade or relevant trade in ITI/without having any ITI at all etc.
  - c. First time in the history of RRB, **single common written exam** conducted for the selection of **ALP and 38 categories of technicians**, for which qualification is not common i.e., to say that a candidate with ITI in fitter is not eligible for carpenter and vice versa and so on. And this is consuming huge amount of time while processing the results for selection of eligible candidates to attend document verification for all categories.
  - d. Selection for the post of Assistant Loco Pilot will be done based on the combined score(70% of the written examination normalized score + Marks **out of 30** obtained in aptitude test) subject to merit and vacancy position, options and qualifications as furnished in the original application of CEN-01/2014.

- e. Candidates should also note that **RRB will allot various categories** to various candidates **based on their options** furnished in the applications. & accordingly the selected candidates will be **called for document verification** during which candidates are required to **produce all the original certificates of prescribed qualification** for the post selected, failing which their candidature will be rejected and **will not be considered** for any of the categories of CEN-01/2014.
- f. Candidates, who are found not suitable in the aptitude test, will not be considered for the post of Assistant Loco Pilot. **Candidates should clearly understand that their performance in the aptitude test does not affect their chances of getting selected for various Technician categories.** However they will be considered (subject to Merit and vacancy) for various Technician categories **based on their options, Qualifications furnished in the original application** of CEN 01/2014. Selection for All **Technician** categories will be done **purely based on the normalized percentage Score** obtained in the written examination held in **June & July-2014.**
- g. Among the qualified candidates in the written exam it is noticed that almost 80% of candidates **do not possess ITI but they have given option for various categories of technicians without mentioning prescribed qualification in original** application form in response to CEN No.01/2014 and **to avoid rejection of any genuine candidate having ITI, RRB, Secunderabad is crosschecking all applications with reference to whether having suitable qualification or not for the post applied for.** This is **consuming huge amount of time** as more than one lakh candidates are qualified in written exam.
- h. As per extant rules, for all offline exams, before declaring results of selected candidates, **OMR clearance** after comparison of **original OMRs** available with RRB, with that of **duplicate OMRs** available at RRCB **has to be obtained from** Railway Recruitment Control Board, New Delhi for all eligible candidates to attend document verification.
- i. In the process of OMR comparison, many candidates may get eliminated due to wrong bubbling/encircling of roll number, booklet number & usage of whitener, ink marks, tampering of OMR etc. This exercise is to be carried out for about 4500 candidates considering the vacancy and also 50% extra as standby, after which some OMRs of candidates lower in merit should be picked up for comparison in order to make up for the candidates getting rejected/eliminated from the merit list due to errors in OMR like wrong bubbling of Roll No. on Question Booklet etc.
- j. Candidates are selected either for ALP or any technician based on their options, qualification, merit & vacancy position for UR/SC/ST/OBC etc.

2. In view of the above reasons, the **result process** is likely to be **delayed by further 3 months** for declaring eligible candidates to attend Document Verification for various posts against CEN No.01/2014 and hence, it is to hereby request **all the candidates not to make repeated number of enquiries/RTI applications** regarding marks obtained in the written exam/aptitude test and tentative dates of results and schedule of Document Verification etc.
3. However, all **the selected candidates will be intimated by post well in advance** (15 days) to attend for **Document Verification**, in addition to **publishing the results/schedule of Document verification for selected candidates in our website** <http://rrbsecunderabad.nic.in>
4. Any representation/RTI applications will be entertained only after publishing the results and normalized percentage **cut off marks** of the **candidates with lowest merit** provisionally selected to **attend document verification will be displayed in our website** along with results for all categories and communities of ALP and Technicians of CEN No.01/2014.

Therefore, RRB/Secunderabad **regrets to entertain any RTI application** pertaining to CEN No.01/2014 **before publication of results** in website.

As results of Ex-servicemen and PWD candidates are already declared for document verification, during which many candidates are getting rejected due to various reasons and accordingly candidates lower in merit will be called for document verification under Ex-servicemen and PWD quota. Due to this process, revised vacancy position for UR/SC/ST/OB will be calculated based on the community of the candidates selected under Ex-servicemen and PWD quota and accordingly job allotment will be done for various technician categories based on revised vacancies and hence chances of getting selected either technician or ALP will be affected by this process. Hence, **for giving results with absolute accuracy as per merit and revised vacancy, it will take additional time** and therefore, results **likely to be declared** in the months of **April-May 2016** and **Document Verification** will be held in **May-June 2016**.

**Warning:** Beware of touts and job racketeers trying to deceive by false promises of securing job in railways either through influence or by use of unfair and unethical means. **RRB has not appointed any agent(s) or coaching centre(s) for action on its behalf.** Candidates are warned against any such claims being made by persons / agencies.

**Candidates are selected purely as per merit. Please beware of unscrupulous elements and do not fall in their trap.** Candidates attempting to influence RRB directly or indirectly shall be disqualified and legal action can be initiated against them.
