☞ \*\*25 ST vacancies cannot be filled up as suitable qualified candidates are not available under ST quota.

☞ @ 108 UR vacancies, 10 SC vacancies and 13 OB vacancies cannot be filled up as candidates are not available under 50% standby quota.

☞ All 05 SC candidates are considered against their own community.

☞ Community breakup of the candidates now being empanelled is provisional and likely to be changed while giving replacement panels.

For example: a candidate empanelled now under OBC quota may be considered under UR quota in future while giving supplementary panel because of the fact that candidates above his merit selected under UR quota may not report for appointment and may become unfit in medical test etc and hence subject OBC candidate then will be considered under UR quota and accordingly released OBC vacancy will be filled by the available OBC merit candidate only but not as per UR merit.

☞ The details of the candidates who have been provisionally selected and recommended for appointment are given below:
